who can manage the properties to the satisfaction of the disciples and guard the interests of the Mutt.

(2) The Swamigalavaru also states that the Mutt was using the birudus of Hagal Divtige and Nagara on Camel, that these birudus were not recognized by Govt as the Mutt people did not represent to the authorities during inquiry and prays that these should be granted

(3) He further states that the inam villages belonging to the Mutt in the Shimoga Dist are now in the management of Govt, that the rents &c of the villages have not been collected and prays for the issue of orders for the collection of outstandings and for being credited to the Mutt fund.

(5) In this office No 2440 of 23-4-12 the Swamigalu was informed that since he is in good health Govt. do not see the urgency of nominating a successor at present.

The Swamigalu has written a Srimukha (A. 1214) to the Dewan praying for early orders of Govt in the matter of the appointment of a successor to his matt.

Submtd for orders

AD (132) 24.3.13 GL

The most important question touched upon by the Swamigalu is that of his successor. In his Patrika No 2440 dated 23rd April 1912 the Swamigalu was informed that as he was in good health, the Govt did not think it necessary to decide upon the

question of his successor. In his
Srimukha dated 10th May 15th
the Swamiyaru has again pressed
the point for decision in the sense
that life was uncertain and that while
it is possible a definite selection
should be made. He has since submitted
two reminders also on the point.

8) I am inclined to think that
there is some amount of force in the
Swami's contention. The Swami is
fairly advanced in years having
about 70 years and is not in
robust health when I visited
him in Sept^r 1911 as tehsildar of
Dindigul appeal Subdivision is in. There
was some account of split in his
surroundings and in the same
spirit continues in his ~~[illegible]~~ Enclosure
there is reason for the Swami's
anxiety for the safety of the Math
properties and for the future of
the institution if in case anything
untoward happens.

9) Another consideration the
Swami has in time also his wishes
to start out on a pilgrimage to

Ramnavaar and it may be helpful to have the Sreeram decision briefly decided so that the Commissioner may present with the Swami for accepting the Grama when the Mela in arises. If necessary, information as regards the health of the Swami will be obtained from the Dt Govt Hospital

(5) The Swamiji also makes reference (1) to certain insignia to which the Mutt is entitled (2) to the attachment of the Mutt properties in the Shimoga Dt (3) to the non collection of rents due to the Mutt from the lessees and (4) to the grant of Imperial Govt for the construction of the Mutt in Mysore Chally Talluk. As regards (1) no enquiry need now be taken as the question does not immediately arise As regards (2) + (3) an extract may be sent to the Dt Govt for a detailed report As regards (4) the construction of the Mutt is in progress by private agency and no action need be taken as there is nothing to prevent the Swami's agent buying in the market. The Swamy states that Gurunayachar who is a disciple of the matt and who is now in Kankanhalli, is qualified for the Priestship, and adds that he need not be examined again on this point—

had been enquired into on the previous occasion and found suitable. On a recommendation being made His Highness was pleased to think that it was not necessary to appoint formally any successor at that junction but that the nomination may be borne in mind and facilities provided to Gurusagaram if he should wish to undergo any training for the guruship. It seems therefore sufficient to intimate in a Vijnapthi the Govt's approval of the nomination as was done in March 1906 in the case of Kanjipuram's nomination. Formal announcement may perhaps follow on the eve of succession or immediately after if there should be no time.

Submitted to His Highness.

These papers relate to the question of the nomination of a successor to the Guruship of the Kundapur Sri Vyasarayaswami Mutt at Abbur in the Channapatna Taluk.

2. The request of the present Swamigalu for the nomination of a successor was before Government last year and, in his note to His Highness dated 29th March 1912, the late Dewan recommended the nomination of one Gururayachar as the future successor of this Mutt.

3. In His Highness's orders conveyed in the Private Secretary's D.O.No. 328 dated 1st April 1912, it was not considered necessary to approve formally of any successor at that juncture, as the present Guru was still active and in good health.

4. The Swamigalu was informed accordingly. The Swamigalu has however again pressed the question of the nomination of a successor on the score that life is uncertain and that, while it is possible, a suitable selection should be made.

5. The Muzrai Superintendent is inclined to think that there is some amount of force in the Swamigalu's contention, that the Swamigalu is fairly advanced in years being about 70, and that the Swamigalu was not in robust health when he interviewed him in September 1911 as Sub-Division Officer, Dodballapur Sub-Division. The Muzrai Superintendent also states that there was some amount of split in the Swamigalu's surroundings and that, if the same spirit continues, there is reason for the Swamigalu's anxiety for the safety of the Mutt properties and for the

future of the institution in case anything untoward should happen.

6. At the direction of the First Councillor, the Swamigalu was again requested to mention the candidate he would nominate, and he has in reply stated that, as agreed to by his disciples, he has made up his mind to appoint Abbur Gururayachar, his first nominee, as his successor.

7. The qualifications of this person have already been enquired into on the previous occasion and he has been found to be suitable. But as His Highness was pleased to think that it was not necessary to approve formally of any successor at that juncture, the Huzrai Superintendent considers it sufficient to intimate to the Swamigalu, in a Vignapana Patrika, the Government's approval of the nomination, and that formal announcement may perhaps follow, on the eve of succession or immediately after, if there should be no time.

8. The First Councillor agrees in this and states that the proposal may be approved.

9. I submit the papers for orders. The nomination of Gururayachar may in the circumstances be approved.

10. The Swamigalu has also made certain other representations in regard to the use of some insignia and the collection of outstanding rents, &c., in the Inam villages belonging to the Mutt, now under the management of Government. These are receiving attention separately.
